

Press Release: Automotive Garage Expo 2025

Bengaluru, India

Automotive Garage Expo – An Aftermarket Innovation Hub

The Automotive Garage Expo 2025 is the premier event for the automotive service and repair industry. Whether you're a service provider, parts supplier, or industry professional, this three-day event offers unparalleled access to the latest auto garage equipment, tools, and technologies.

Event Details:

Dates: **08-10, May 2025**

Venue: **Tirupura Vasini, Palace Ground, Bengaluru, India**

Organiser: **Synergy Exposures**

Why Attend?

1. **Service Providers:** Explore state-of-the-art tools, diagnostics, and workshop management solutions to enhance service quality and efficiency.
2. **Suppliers & Distributors:** Showcase your products and connect with potential clients in the rapidly evolving automotive aftermarket sector.
3. **Industry Trends:** Stay ahead with insights into the future of multi-brand garages, EV service innovations, smart workshop management, and more

Registration:

Industry professionals are encouraged to pre-register at www.automotivegarageexpo.com. Ensure a smooth experience by planning your visit in advance using Google Maps for navigation. This B2B event is exclusively for industry participants above 18 years of age.

B2B Meetings:

Pre-schedule B2B meetings to connect with suppliers, explore partnerships, and optimize your time at the expo.

Join us at the Automotive Garage Expo 2025 and connect with the leading innovators and experts in automotive service and repair sector!
